Trinity Episcopal Church 2007 Grant Application

Mission Statement

The Outreach Ministry of Trinity Episcopal Church seeks to demonstrate care for all people throughout God's world, utilizing our principal parish resources: time, talent, and treasure.

We are currently accepting grant applications for the 2007 calendar year. We will be accepting applications through February 28, 2007. We will acknowledge receipt of all applications. Decisions regarding funding are expected to be made by April 30, 2007.

Our Funding Priorities

1. The proposal responds in a substantive way to a serious and demonstrated need in the local community.
2. The proposal brings about tangible and material changes in peoples' lives, particularly in meeting the needs of the elderly; of children and youth; of those who are poor, dispirited, hungry, homeless, ill, or disabled; and in meeting special needs for the relief of human suffering.
3. The proposal seeks critical support for direct, program-related expenses.
4. The group seeking support has or is eligible for nonprofit, charitable status.
5. The group seeking support demonstrates sound program management and responsible budgeting procedures, or is a new group that demonstrates promise of such capability.
6. In general, grants of up to \$2000.00 will be awarded.

The committee will give prayerful consideration to each request and will make our decisions as God gives us the grace and discernment to do. We trust and pray that each program we fund will be a sign of hope for all the members of our community.
